

Listen

Listen to the Spirit,
The quiet voice inside.
Love is ever calling.
There's no need to hide.

Why worry? Why doubt? Why fear? Why fret?
Adventure awaits me and you.
Mistakes we made, we can forget.
Here and now is bright and new.

Wonder, consider; ponder, think
On thoughts of truth from above.
We have the courage and strength we need,
When we choose to walk in love.

Listen to the Spirit,
The quiet voice inside.
Love is ever calling.
There's no need to hide.
